

Letter of Guarantee for Admission

I, _____ (Name), born in _____ (Birth date),
passport number: _____. Swear by Almighty God and my heart that I am
fully aware that:

1. I will pay 50 USD for DHL fee when I got pre-admission from the school. And I am sure I can pay it in time.
2. I am able to pay deposit or partial or full tuition fee to secure my seat for self-sponsored program or scholarship before I got admission letter, JW202 form and come to China.
3. I can afford all the fees including tuition fee and accommodation fee even I didn't get scholarship or I only get a partial scholarship.

Except for force majeure like visa rejection or natural disasters, I swear that once I got the admission package I would like to register in the school in time and study there in China. I will obey Chinese laws and university's regulations, pay all the fees in time and study hard in the school.

***Please be noted that since this is a "free application" promotion, CUCAS doesn't charge application fee and service fee, those who signed this letter but failed to execute will be recorded in CUCAS credit system, which will influence their future applications to Chinese universities.
